## Disclosure 3: Basis of GST Audit

- 
- Maintenance of books of accounts, GST related records and preparation of financial statements are the responsibilities of the entity's management. Our responsibility is to express an opinion on their GST related records based on our audit. We have conducted our audit in accordance with the standard auditing principles generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the GST related records and financial statements are free from material mis-statement(s).
  - The audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates by management as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion on Reconciliation Statements in Form 9C.
